Check In Time:	7.00am
Working location:	Linlithgow Ave (St Kilda Road end)

Duties include:

Volunteer roles include scanning participant race numbers as they pass through the finish area, marshalling of participants to keep them moving through the finish line chutes, directing participants back over to the assembly area or one of the jobs listed below.

Please speak to your Team Leader on event day for specific instructions.

Results Scriber/Place Spotter

Your role is to identify the first, second and third place getter over the finish line for the 4km, 8km (male and female). You will need to record their name, race number and race time on a results sheet. This will be required for the presentation ceremony. Please make two copies of these results.

All Finish Line Volunteers

All finish line staff will be required to help dismantle the finish line assembly area after the walk finish.

A more detailed brief will be given on race day.
